The Heritage Red Band 2008 Riesling was selected from our Georges Road vineyard in Waipara.

The fruit was harvested in early May 2008 in excellent condition. Selecting only the lightly pressed juice the Riesling was cool fermented for 21 days. After an extended yeast lees contact the wine was lightly fined and filtered prior to bottling.

The Heritage 2008 Riesling displays both delicacy and finesse. Aromas of pears and citrus show through on the nose. The palate is refreshingly balanced with a persistent finish.

A wine to be enjoyed over the next 3-5 years with careful cellaring.
