

SHERWOOD ESTATE 2008 PINOT GRIS

Analysis at Harvest: 3.40 pH
 8.0 g/l Total Acid
 22.5 Brix

Careful fruit selection from our Terrace vineyard in Waipara was followed by a gentle pressing, cool fermentation and extended yeast lees contact. Light fining, filtration and bottling followed.

The Sherwood Estate Pinot Gris 2008 displays hints of ginger spice and pear drop aromas with a smooth juicy finish on the palate. A beautifully balanced wine to be enjoyed over the next 2 years.

Analysis at Bottling: 3.45 pH
 6.2 g/l Total Acid
 13% Alcohol
 6 g/l Residual Sugar
